Nissan LEAF Community Fundraiser Guidelines

- To celebrate 40 incredible years in Tucson, the Jim Click Automotive Team is presenting a new 2012 Nissan LEAF model SL to the entire community. All 501(c)(3) organizations in the greater Tucson region are invited to raffle off this donated vehicle this Fall, Winter and Spring.
- Charitable organizations may request and sell raffle tickets to community supporters, donors and anyone else who wants to win a new Nissan LEAF! Purchase of tickets is NOT limited to Arizona residents and businesses.
- Proceeds from the sale of tickets will be retained by each selling non-profit organization in the community.
- A maximum of 40,000 tickets will be distributed for fundraising purposes. Tickets will be sold at \$25.00 or \$100.00 for five tickets.
- All organizations taking part in this community fundraiser will be responsible for accurately reporting the number of tickets sold and total funds raised to the Nissan LEAF raffle management team.
- Entry Deadline: All raffle ticket entries must be received by April 20, 2012. The raffle ticket drawing will be held on April 27, 2012 at a location to be announced.
- Each interested organization will initially receive 200 raffle tickets to sell. More raffle tickets may be requested as needed.
- The Nissan LEAF raffle is a community-wide fundraising campaign to benefit the charitable 501(c)(3) organizations whose base of operations are located in greater Tucson, Arizona. Organizations must be prepared to provide a copy of a "letter of determination" from the IRS as confirmation of their 501(c)(3) status to the raffle management organization for verification of raffle participation eligibility.
- Persons must be 21 years of age or older to win. The winner will be responsible for all taxes, registration and travel to claim the vehicle.
- Employees of the Jim Click Automotive Team, Arrowhead Advertising and Russell Public Communications are not eligible to participate.
- Winner consents to be photographed and for their name and likeness to be used by the Jim Click Automotive Team and/or the representing public relations agency (Russell Public Communications) and advertising agency (Arrowhead Advertising) for publicity and advertising purposes.
- Color and options on the new Nissan LEAF are subject to Jim Click Automotive Team's discretion.
- This raffle is being sponsored by Linkages, an Arizona non-profit corporation.
- Grand prize includes a complimentary charging station (approx. \$3,500 retail value) and standard installation (up to \$1,200 retail value). Load calculation on the grand prize winner's residence's electrical service must have enough available amperage capacity for the unit. While unlikely, if modifications of the electrical system becomes necessary, those costs would be the winner's responsibility.
