

Double Your Donations

Did you know many companies offer a matching gift program to encourage philanthropy among their employees? And that some companies will even match to spouses and retirees?

By simply completing a matching gift form (online or paper), you may be able to double, or even triple, the impact of your gift!

All you have to do is contact your company's Human Resources Department and ask if your employer participates in a matching gift program. On the second page, we've included a list of companies that host a matching program for their employees.

You donate!

They match!

For additional information about matching gifts, please email your local walk manager.

The following companies commonly match employee donations. Don't see your employer? Please reach out to your HR Department to confirm if your company participates in a matching program.
